

BENTLEY PRINCE STREET

SUSTAINABILITY

mission

TM

WHAT EXACTLY IS SUSTAINABILITY?

Protect current environmental assets.

Restore lost environmental assets.

Maintain zero net environmental impact.

At Bentley Prince Street, **Sustainability** is built into our business.

WHAT DOES SUSTAINABILITY INVOLVE?

People, **P**rocesses, **P**roducts, **P**laces, and **P**rofits.

7 ways to make a difference.

We don't accept less than full commitment
and steady progress on all **7** fronts.

Eliminate Waste

Benign Emissions

Renewable Energy

Close the Loop Design

Resource Efficient Transportation

Sensitizing Stakeholders

Redesign Commerce

1

ELIMINATE WASTE

What are you doing to **eliminate** waste?

Since 1994 Bentley Prince Street has:

- Saved over \$40 million from waste elimination activities
- Reduced water intake by 71%
- Reduced waste to landfill by 95%
- QUEST program
- Recycling Champions in every department
- Dumpster Dives
- Created Scan™, UPC™, Shoton, and the Urban Tribe collection using “tail outs”
- Received the WRAP six times

WHAT ARE ***YOUR*** SUSTAINABLE GOALS?

Eliminate Waste

Benign Emissions

Renewable Energy

Closed Loop

Efficient Transportation

Integrated Sustainability

Redesigned Commerce
